

The UAW opposes expanding the H1B visa program.

Myth: The UAW wants to protect foreign workers.

The Truth:

- Many international students rely on H1B visas for themselves or their spouses during or after graduate school.
- Foreign workers often use H1B visas as a stepping stone to getting a green card, normally a much longer and uncertain process.
- CASE/UAW is holding up straw-man arguments. They say “workers on H1B visas are only permitted to hold a job at a single company”; the INS says “H-1B aliens may work for more than one U.S. employer.” Who do you believe? (<http://www.ins.usdoj.gov/graphics/howdoi/h1b.htm>)

Is this what you want your money spent on?
