

YES, I want
to send money to the
UAW and give their
executive board

ultimate control over my
employment affairs. I want to form
a complex bureaucracy with no
proven record of long-term wage
increases and which has never
been applied to a predominantly
RA community.

NO, I do not
want to hand over
my voice to an
external group

which I will be legally obliged to
financially support but which
does not represent my best
interests as a student and as a
researcher.
